A heifer, sired by May King, was a winner in her class in this same show and sale and was one of the top selling females.

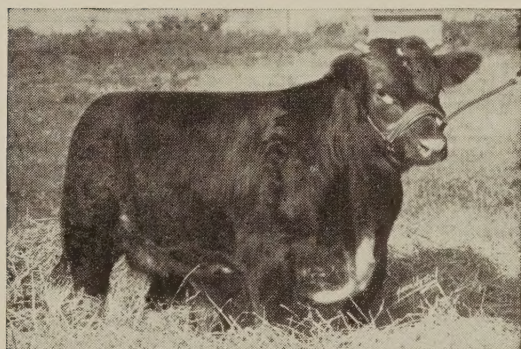

ELMLEY GOLD PATROL

Show at Windsor as a two-year-old, also 1st prize at the Three Counties Show, and 1st at Shropshire and West Midland Show. He was by the noted Aldsworth Royal Prince, who sold at a high figure for export to Australia, where he was reserve champion at Sydney in 1938 and champion in 1939; he also sired the male and female champions at Sydney—Elmley Air Chief, a good red Crocus bull by Bapton Air Chief and from the Dam of Elmley Golden Hail, 1st and Collynie Cup, Birmingham, 1934 that did so well in Lord Lovat's Beaufort Castle Herd. Lot 22 sells bred to this bull.

SHORTHORN STEERS made a clean sweep of the *GRAND AND RESERVE GRAND CHAMPIONSHIPS* over 1,425 head of all breeds at the 1946 Chicago International Livestock Show. They went on to win the champion three-steer and get-of-sire groups over all breeds for the first time in the 47-year history of the International, when one breed monopolized single and group championships. The Grand Champion later sold at a new all-time record for the Chicago International of \$10.50 a lb. to total \$14,490 to the Firestone Tire and Rubber Co., Akron, Ohio. He immediately began a 22,000 mile educational tour of the country in a \$12,000 specially constructed trailer. Watch for notice of these exhibitions in your territory. (The Shorthorn steer,

Tomahawk, was Grand Champion of the 1945 Chicago Fat Stock Show and set the then International record of \$10 a lb.)

Shown above (left) is the Grand Champion, ROYAL JUPITER; (right) the Reserve Grand Champion, WYOMING CHALLENGER STANDARD; and (below), the winning three-steer group including the reserve grand champion.

These steers demonstrate the well-established Shorthorn profit characteristics combining greater weight with modern type and choice quality conformation. The Grand Champion steer weighed 1,380 lbs. at 22 months of age. *Extra pounds produce extra profits. REMEMBER—Shorthorns, Best in Every WEIGH!*
